# T-Portal Windows Installation Guide

#### Step 1

Navigate to: <a href="https://t-box.nl/downloads/">https://t-box.nl/downloads/</a>

#### Step 2

On the downloads page, press the "Application" icon to download the T-Portal Windows zip file.

#### Step 3

After downloading the zip file, navigate to the folder where you downloaded the file, you can easily do this by pressing the "Show in folder" icon in most browsers.

Select the file, and right click to show more options, then click "Extract All..."
